January 15, 2013

Please remember to remove the yellow highlighting and the red text from all blocks (not just yours) before making your current update.

Reminder of procedures: when you receive the previous week's report (below) showing what we submitted to HQ, please prepare the current week's report:

1. remove the yellow highlights from all boxes
2. remove all the red text
3. add yellow highlights to each box where you have text changes
4. mark all text changes [only the changed text, not the entire section] in red ... this will help me figure out what changes have been made when I receive updates in one item from two organizations.
5. if the date has changed, please reposition the item so that it is in chronological order.

Here is the most recent updated report:
